**DigAccess**  
AGROTOURISM

**DigAccessAgrotourism:**  
*Digital transition*  
for *Accessible Agrotourism*

**DigAccessAgrotourism** is a **EU funded project** that aims at **boosting the digital transition** of social economy enterprises in the agrotourism sector to become more accessible for persons with disabilities

*fostering*

**digital transition** and **capabilities** of SE-SMEs operating in the **agrotourism sector**

*strengthening*

digital capacity of '**enabling organisations**' in the social economy

*creating*

and **developing opportunities** for capacity building, training, mentoring and advisory activities for **supporting SE agrotourism** organisations to digitally upskill and become **more accessible**

*developing*

**transnational capacity** building and training for supporting 'enabling organisations' to **improve the support** for their agrotourism members to become **more accessible** and **digital friendly**

**DigAccessAgrotourism** is a project run by a dedicated partnership with a wide European dimension strongly committed to **make rural tourism more accessible and digital friendly**
